

ENVIRONMENTAL POLICY

- Contributing to the efficient use of natural resources
- Contributing to minimizing the amount of waste generated
- To increase environmental interest and sensitivity by raising awareness of our guests, employees and businesses around us.
- Sharing information with all institutions, organizations and sector representatives within the scope of environmental awareness studies.
- To raise awareness of our employees and guests about waste recycling
- Participating and contributing to environmental protection activities
- To increase awareness about the effective and economical use of our water resources.
- Using all our energy resources in the most efficient way and taking measures to save money
